

## BRIGADE PROGRAMS

### Weeski, Ages 5-7

January 9—March 13

Participants must be skiing at the intermediate level and capable of skiing all intermediate (blue square) terrain. Children must be able to ride the Sunset, Morning Star, and Comet Express chairlifts without supervision. The rate for the 5-7 age group reflects the small class size of six or fewer. Snowboarding is not available for this brigade. Daily lessons are available for beginners.

### Junior, Ages 8-18

January 9—March 13

Join a friend or make new ones. The Junior Brigade accepts all ability levels from the beginner to advanced for either skiing or snowboarding.

### Forerunners, Ages 8-18

December 19—March 13 (No Class December 26)

For advanced to expert skiers, Forerunners introduces participants to the basic fundamentals of ski racing as well as personal skiing development. On March 14th, Forerunners will finish the season by competing in the Bristol Mountain Race Club Championships. Trophies will be awarded to all age groups for boys and girls.

### Mogulrunners, Ages 8-18

December 19—March 13 (No Class December 26)

Mogulrunners is part of the Freestyle Team and is designed to introduce intermediate and advanced skiers to freestyle skiing. It is not designed for those wishing to compete on a regular basis, but if participants develop an interest in competing in local events, the Freestyle Team coaching staff will provide coaching at those events.

### Parkrunners, Ages 8-18

December 19—March 13 (No Class December 26)

Parkrunners introduces intermediate and advanced skiers or snowboarders to the terrain parks. Basic skills of riding the pipe, rails, and big air hits are developed. Safe use and etiquette within the park is stressed. Participants will also be instructed in flat terrain and mogul skiing.

### Mountainrunners, Ages 8-18

December 19—March 13 (No Class December 26)

For advanced to expert skiers and riders looking to do it all. Try moguls, racing, terrain park and just plain skiing and riding. This 12 week program was designed for the young skiers and riders who want to expand their skills to a variety of snowsports.

### Adult, Ages 19+

January 9—March 13

The Adult Brigade is offered to all ski and snowboard ability levels from beginner to advanced. Put a group of six to eight of your friends together and make your own brigade group. Ski fast, ski slow, take a break when you want and express-line it to the summit. If your skiing/riding on your own, the Adult Brigade is a great way to meet other skiers/riders of the same ability ready to hit the slopes.

### Mogulmasters, Ages 19+

January 10—March 14

Whether you are interested in dominating at "Bump This" or desire the ability to link comfortable turns in the bumps, this is your program. Coaches will demonstrate proper technique and show you how easy it is to master the moguls! For the real adventurous souls, we will spend time working on jumping, but if you would rather keep your feet on the ground, that's cool too.

### The Ladies Brigade, Ages 19+

January 6—March 17 (No Class February 17)

The Wednesday Ladies Brigade is the perfect midweek solution for ladies to get out of the house. Beginner to experienced skiers or snowboarders welcome. This season, the Ladies Brigade promises to be special. Additional activities include: a trip to the Morning Star Cafe, introduction to Nordic skiing (after class for those interested), an introduction to NASTAR Racing and an end of season cookout. Look for more events to be added throughout the sessions.
